# Quality, professionalism and experience...

Allworld's "Apple" programme of food and hospitality events is considered synonymous with quality, professionalism and experience, helping key exhibitors market their products and services in new and ever-changing business environments.

Our "Apple" shows have long been the industry standard for quality food, drinks, hospitality, foodservice and bakery exhibitions across the globe. Just some of the shows in our portfolio are FHA and ProWine in Singapore, HOFEX in Hong Kong, FHC and ProWine in Shanghai, and newer shows such as Food & Hotel Myanmar and Food & Hotel Penang.

Allworld has global reach with over 50 sales offices worldwide as well as being endorsed and recognised by the key local, regional and national trade associations and government bodies. This infrastructure enables Allworld Exhibitions to provide local support and dependable service to businesses around the world.

All of the shows in this calendar are organised by Allworld Exhibition member companies that in our 50 year history have introduced tens of thousands of enterprises to trade buyers and specifiers on all five continents.

Approval of the Union des Foires Internationales, indicated by the symbol, is only awarded to fairs which have a proven record of international exhibitors and visitor facilities which conform to the highest standards as laid down in the UFI rules.
