

ProPak Myanmar 2016 – Post Show Press Release

Date: 6th October 2016

ProPak Myanmar 2016 – Moving Forward with Industry

ProPak Myanmar 2016 took place for its successful 3rd edition, 24th to 26th September at Myanmar Event Park (MEP), Yangon, and once again reaffirmed its leading position as Myanmar's largest and most international food, drink and pharmaceutical processing & packaging technology trade exhibition in Myanmar for Myanmar.

ProPak Myanmar 2016 presented 233 exhibitors from 24 countries, 5 international pavilions from China, Italy, Singapore, Taiwan and Thailand and 4,799 trade visitors from 25 countries attended across its 3 show days. ProPak Myanmar 2016 also included the National Conference on Food Industry Development 2016 - Education of Food Science and Technology to Upgrade Small and Medium Food Enterprises in Myanmar organised by the Food Science & Technology Association of Myanmar (FoSTAM).

ProPak Myanmar truly is the "Must-Attend" industry event in Myanmar for Myanmar with the best quality and variety of exhibitors, technology, products and visitors.

"ProPak Myanmar 2016 was buzzing with activity across its 3 show days from start to finish. The show received excellent feedback and exhibitors did brisk business onsite with many machines sold and orders places onsite. It is clear to see that the industry is moving forward, expanding and developing and demand for new technology, machines and solutions are in high demand." **Said Mr.**

Fraser Hawkes, General Manager, Myanmar Trade Fair Management
